Re: Ramps A and C

Mr. Tony Goze
MAG Mechanical
3210 18th Ave So.
Minneapolis, MN 55407

Dear Tony,

Thanks you for your work on Ramp A and C. I was impressed with your capability to complete your work and the ability to have something completed, even before I had the chance to ask the question. Based on the superintends comments (Chris), "I don't have to ask twice with them!" I seen this and I appreciate it.

I look forward to working with MAG Mechanical again..

Regards,

Matt Korus
