MAG Mechanical
3210 18th Ave South
Minneapolis, MN 55407

Dear Tony,

The professionalism and team approach that MAG Mechanical brings to our projects remains consistent with our mission of being best in class. Your level of experience, immediate service and quality of work was again exhibited on Target Woodbury. MAG met every schedule date for the project and performed exceptionally well managing and containing the costs for the project. MAG Mechanical is always extremely responsive to our needs and concerns and continues to strive to make sure expectations and standards are continually met.

Thank you for the great work and wonderful team, we look forward to working with you on future projects.

Sincerely,

Tim Robertson
Sr. Project Manager
